Calibrate & repair www.hitekcal.co.uk

Supply www.hitek-sales.co.uk

Have you tried our new client web site?

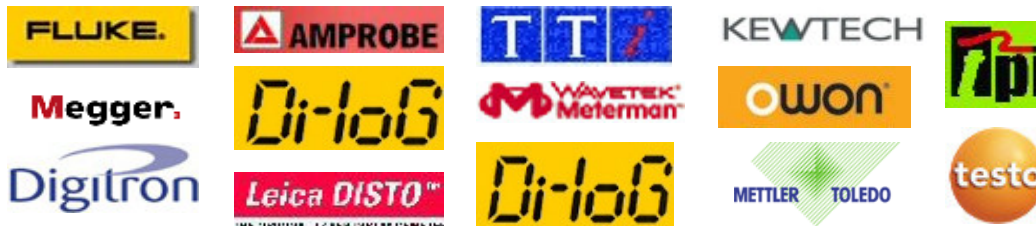

Manage the calibration of your instruments on-line:

- View
 - Save
 - Print: Certificates, results, invoices
 - Analyse & update instrument history
 - Change the units location
 - Cal period
 - Track status and much more
- Over 600 clients already registered, and all FREE

Buy your test equipment delivered calibrated & ready to use?

We distribute for all these manufacturers & many more:

Why not book our onsite/mobile calibration, you will be amazed at what we can do!

- "Superior Calibration" due to fewer disturbances
- Less disruption to your production!
- No transit damage
- Less paperwork
- Minimal downtime
- No rental costs
- Better communication

Call Vanessa or Nikki **NOW** for a quote, it costs the same as in house or onsite, we just need a minimum number of instruments.

Call & book now on 01403 243535

From our brand new purpose built laboratory and sales office in Horsham, we are able to offer all our UKAS and ISO traceable calibration services. In addition, we are able to supply a wide range of new instruments.

Book an onsite/mobile calibration visit valued over £500* or buy a new instrument over £500* & receive a Free iPod Shuffle

*Offer expires end Dec 2007 excludes VAT, subject to distance
